The fund's investment objectives, risks, charges, and expenses must be considered carefully before investing. The summary and statutory prospectuses contain this and other important information about the investment company, and may be obtained by calling 877-416-6161, Read the prospectus carefully before investing

Mutual Fund investing involves risk; principal loss is possible. The Fund invests in foreign securities which involve greater volatility and political, economic, and currency risks and differences in accounting methods. It is possible that the Islamic restrictions placed on investments and reflected in the main investment strategies may result in the Fund not performing as well as mutual funds not subject to such restrictions.
